# NuBein Declaration of Universal Sovereignty

## ANU Dominion Of Righteousness

The undersigned persons, representing the people of the NuBein Empire (Anu Dominion – *EmpiRa'EL*), an Elohracy (an ecclesiastical state of Righteousness) organized and based upon the ancient heritage and principles of **YHWH** MeKhyYH'EL-TzedekAnu-EL [(the Original Chief Scientist (Head/Archangel) of the Melchizedek *EmpiRa'EL* King Order [known as the Assembly (Church) of Elohim Sciences [(the *EmpiRa'EL* Church (Temple) of Redemption)-(the Ancient Royal Social Order)] (1<sup>st</sup> King-Warrior-Priest of The Most High Order of Righteousness)], constituting persons of many lands and nations, having been the subject of spiritual, cultural (religious) and commercial persecution and harassment,

**DO HEREBY**, come together to declare their desire and intent to formalize their universally creative sovereign family of Righteous governments and nations (the NuBein Empire – *EmpiRa'EL*), independent of outside influence, to guide and protect the people of Anu Dominion (Numanity – The Righteous/Redeemed Humanity).

**Article 1.** The Sovereign Nations of Anu Dominion shall be built upon constitutions describing and setting forth the rights and liberties of its people.

**Article 2.** Anu Dominion (*EmpiRa'EL*) shall be eternally governed by *DeMpeRa* and the perpetually forming & reforming Supreme Council of Light (the *EmpiRa'EL* High Council), to be known hereafter as the 24 Houses of Elders. The undersigned persons shall constitute the initial members of the House of Elders until such time as a formal election may be held as directed by *DeMpeRa*.

**Article 3.** Anu Dominion, its foundation being the preservation of Love, Peace, Happiness, Harmony, Righteous Freedom, Righteous Privacy, Collective and Individual Safety of its people shall exist perpetually.

**Article 4.** The people of Anu Dominion (NuBein Empire – *EmpiRa'EL*), as the people of other nations and lands, have increasingly been obstructed and prevented from carrying on and developing profitable and worthwhile commercial enterprise. Governments of most nations in these times of technological advancement and economic unrest, have persisted to lay down legislation and laws including unlawful and non-representative taxation on their peoples as well as overall mis-representation. Such Governments have lost sight of their primary purpose, the respect of their constituents and the basic insights and intents of their founders.

**Article 5.** Anu Dominion, shall possess no boundaries, shall set forth and insure its people of certain inalienable rights and shall at all times, be subject to the influence and direction of its people as mandated by *DeMpeRa* of the Dominion.

**BE IT RESOLVED THEREFORE**, we the undersigned representatives of the people of Anu Dominion, assembled in general meeting, do hereby, in the name and by the authority of the People (Children) of **YHWH** Elohim EL Elyon EL (*DeMpeRa*), solemnly publish and declare, that Anu Dominion is a righteously **free** and righteously **independent** Sovereign Family of Nation-States (Kingdoms), absolved and absent of any and all allegiances, borders and other boundaries, and that all political connections between Anu Dominion and all nations, is and ought to be dissolved and (*if fitting*) may later be re-established under universally proper protocol, and that as an independent Sovereign Family of Nation States (Alkebulan/Amexemite Nations Unified Dominion of Righteousness), has full power to legislate, execute and interpret its own laws, levy spiritual war in order to bless its enemies, conclude peace, contract alliances, establish commerce, and to do **ALL** other acts and things which independent sovereign nations have the right to do.

*It's time to rise My people!*

## NOTICE

### OFFICIAL PUBLIC NOTICE

ACTUAL CONSTRUCTIVE LEGAL NOTICE TO ALL  
GOVERNMENTS OPERATING ON OUR PLANET QI  
(WHAT YOU HAVE BEEN CALLING EARTH)

This is Actual and **CONSTRUCTIVE LEGAL NOTICE** to all elected, appointed or employed officials including police officers, agents or representatives of the city, county, state and/or federal(national) governments on My Planet corruptly governing My People. This Notice is to give & to Certify as **NOTICE** to ALL governments & peoples of the perpetual (Eternal) existence of **the EmperiaL State of Righteousness** known as **EmpiRa'EL** and on that authority the Human Beings of the planet are calling for an immediate & simultaneous dissolution of the **corrupt** (& non-transparent) governments on the continents currently **known** as: Africa, Australia, South America, the Southern Half of North America & Antarctica as their authority over the people of Truth, Holiness & Righteousness & their resources **is Because of** years of tyranny & corruption **hereby** neutralized **and is of no more effect**.

The Corrupt Governments **are being** replaced by the *EmperiaL* Gov't of **Qi** and **its** political sub-divisions. The *EmperiaL* Gov't of **Qi** (Alkebulan/Earth) **is** the Gov't of Men, Women & Children **governed by** the Laws, Statutes & Commandments of Truth, Holiness & Righteousness, Love, Peace & Happiness (the Universal & Common Laws) via Harmony (the 7 points of Light & Redemption) who have **accepted the charge** (responsibility/authority) to heal the planet & her inhabitants. The EGQ is **equated with** the **Resurrection** of the Ancient & Original World Order (AOWO).

The amount of time as permitted by common Law will be given for ALL peoples & governments content on living & advocating a lie & living in a world based on lies (the Ma-Tricks), greed, poverty, jealousy & dis-eases (including war & hate) to **conclude** their final affairs, pack up & move **above the 40th** parallel of NorthWest Amexem or Europe; because **after** the allotted time has expired ... **ALL** buildings, products & equipment **south** of the new EmperiaL border that was/were made by the former gov't or any of its sub-divisions or corrupt corporation using our labor & other resources and ALL people will be redeemed (seized) from the tyrannical oppression of the laws of the united States Corporation and instead will be subject to the Laws, Statutes & commandments of the EmperiaL Republic of Original (Black) Amexem (America) which are based on the Eternal, Universal & Common Laws of Truth, Holiness & Righteousness, Love, Peace & Happiness & Enforced by the Harmony of the EmperiaL Fleets of The Holy Kingdom of Righteousness (the EmpiRa'EL Fleet).

This is an open invitation also to ALL Indigenous Nations & Peoples of the Planet who wish to be free from the monopolistic tyranny of the wicked system that has dominated the globe for the latter half of last century. We have elected to form an EmperiaL Gov't (greater authority than Federal and most times international authority) to enforce, legislate & judge our own laws which as proven is the Source of where ALL the other laws currently dominating the globe are derived from.

The Land, belonging to The Most High (God) & His Children (the People) & when a gov't for or of the people becomes corrupt according the Laws Of Truth, Holiness & Righteousness, Love, Peace & Happiness (Our Father), it then becomes the duty of the Children (the People) who love the Father & His Creation to 'show it' by separating themselves from (abolishing) corrupt governments & forming new ones if necessary as an alternative to living under a wicked system of tyranny, corruption & terrorism day in & day out (that wouldn't be giving glory to the Father but rather to 'other side' ... for KNOW THIS ... Evil needs support also! ... if you diminish its support .. you diminish its power!!!

What they gon do!?:

1. They can't arrest us all at the same time!
2. They can't evict us all at the same time!
3. As a Matter of Fact if we stood up as Men with our own gov't; they can't do 1 or 2 **period!**
4. They can't 'force' us to do ANYTHING as long as we **thru** our **own** gov't stand **together!**
5. Our own TransNational Sovereign Government can:
  - A: Print & Circulate our own money (treasury dept.)
  - B: Make, Enforce & Judge our own laws (the 3 branches)
  - C: Have our own state sponsored media, TV & radio stations (PR & mktg. dept.)
  - D: Make our own Int'l treaties (state dept.)
  - E: Raise our own Army (def./sec. dept.)

**The EmpiRa'EL Fleet**

The Peoples of the Planet

vs.

**satan & his bunch**

the corrupt bankers, governments  
& corporations of the world

## A Billion Man Army

Coming soon...

Fo Real Fam!

If we got to we'll TAKE they missiles, tanks, planes, bases, ships, jails & whateva else they corrupt corporations made ... it's ours anyway they built it off of our stolen resources & bamboozled labor!

## **EmperiaL Republic of Original (Black) Amexem (America) (SouthNorthWest Alkebulan)**

**We gotta have our own:** TransContinental Congress (Supreme General Assembly)  
Senate (Supreme)  
EmperiaL Courts  
EmperiaL Army Dept. of  
Defense EmperiaL  
Reserve Board  
EmperiaL Trade Commission  
Dept. of Commerce  
Dept. of State  
Dept. of Interior  
EmperiaL Bureau of Investigation  
Dept. of Edification & Enlightenment  
Dept. of Health & Wellness  
Supreme Intelligence Agency  
Dept. of Oceanic research & cleanup  
Dept. of Atmospheric research & cleanup

EmperiaL Bureau of Special Forces  
EmperiaL Bureau of Communications EmperiaL  
Bureau of Love, Peace & Happiness EmperiaL  
Bureau of Science & Technology EmperiaL  
Bureau of Construction & Destruction

If we just gradually stop going to work for them so much & start working with our own gov't more, then instead of making them richer while we 'as a whole' are still suffering & struggling; we would be making the economy of our own Transcontinental gov't & thus our Imperial Bills (King Notes) stronger & their economy since they want to be all stingy & greedy & teach the people to be corrupt like that, as retribution for their deeds, their economic system will just get weaker & weaker until they either accept the Truth or it just collapses!

Our King Notes get stronger ... their dollars get weaker!

Let's do this

Come on let's go!!!!

The Million Man March (M3) was a tremendous occasion, true indeed, but ultimately the M3 need not to be a one day event but a daily event & way of survival (Life) for our newly formed (resurrected) gov't. The M3 needs to be a Million Man Army & not just centered around & focused in on D.C. but in several regions both nationally & internationally simultaneously. This is not to be seen or taken as a threat or act of aggression. This is to be seen & taken as a means of survival for our newly formed & elected government which has been set up to protect the Way of Life of our People. Just as the declaration of Independence of the united States of America says 'when a gov't becomes corrupt the people have the right to form a new one.' We are merely enforcing (asserting/claiming/redeeming/standing up for) Our Rights.

The Million Family March (MFM) is to be a seat of authority (power) in the sense that the Executive Branch (the enforcers) is the internal gov't structure representing the united body of children, the Legislature (the law makers, the wisdom of the Original BlackMan, the Word of God, the Original BlackWoman) is the internal gov't structure of the united body of women{the bride/wife/mother} & the Judicial Branch (the Judge) is The United Original BlackMan (the husbandman/the Father) who collectively (thru the internal gov't structure) & transtemporally speaking is the Maker & Owner of the Planet & is the Father of Civilization. It is already proven that all nations, cultures & most religions have (no matter how corrupt they have become) their origins within the Original (Black) Nation. We also know that we were here on this planet (& others!) for millions & millions of years before the white nation ever came on the scene.

As the primordial God of this planet, we have certain Rights, abilities, authority & responsibility; and one of these rights is to sit as the Judicial Branch of the Emperial Gov't of Qi (Earth); who better than the Source in determining what is genuine & authentically (truthfully) coming from the Source (hence the saying 'check the source'). This being overstood, we must re-cognize the fact that the white nation is one of our sons also. He is our son who is plagued with the sometimes contagious dis-ease of hatred that causes him to lash out & bring harm to himself & others. He is sick, and just like any loving parent with a sick child, we want him to be better & will do what we have to do to make him better. But as far as right NOW, he is on My (Our) Throne(s) (seat(s) of power/authority/rulership) and must be removed before he finish (completely) wrecks the planet (literally)!!!

I am (We are) the only One(s) who can (have the authority to) do it, but until recently couldn't do it because of My (Our) own lacksidaisical & cocky attitude towards Me (MySelf) & My Word (the Law), I(we) became so very 'lax' about keeping (living by) our own principles(principals), laws(powers), statutes(virtues) & Commandments(dominions/orders) of Our Thrones (positions) in Our God (Our Gov't Of Divinity)(mind/spirit of EL Kuluwm) that when one of the last major times when our sick son lashed out, I(we) was(were) caught off guard and in no position to defend ourselves successfully from the onslaught of him lashing out while I(we) was(were) in the middle of a scientific project that when prematurely interrupted by the chaos of his lashing out caused Me(Us) to be incapacitated for approx. 6,000 years while I(we) rejuvenated & healed our multidimensional wounds.

I(we) have only recently been strong enough to even contemplate returning to Our Thrones on a serious note to resume Our full duties as God of this planet and we still not back to FULL power yet...but we almost there!

We will structure our Gov't in such a way so as to be able to process each new member desiring citizenship into a full fledged sovereign secured party upon entry into the citizenship of our new(resurrected) transnational country E.R.O.B.A (ee-row-bah) which itself has citizenship in E.R.o.A (EmperiaL Republic of Alkebulan) (ee-row-ah) which is synonymous with A.N.U (Alkebulan Nations United).

This processing will be done in a streamlined yet wholistic manner addressing ALL of the new citizens' needs from the informational(intellectual) to the political(legal) and everything in between to ensure their citizenship as a full fledged sovereign secured party. The complete process should take no more than 7 months max depending on the individual once the process has been streamlined thru the daily operations of our own State Department & its' subsidiaries (committees, sub-committees & other teams & units). EROBA is to be structured to provide for at least a 4 Million Man Army (protection & defense forces) & a roughly 3 Million Man governmental staff (administrative). The remaining citizens will participate thru our entrepreneurial development based economy & edification (school) system.

Minimum wage in EROBA is \$1.35 King Notes (\$12 US Dollars(1998)) per hour. After a 7 year period of 'isolation' from the rest of the world to focus on our own domestic issues (of course we will still conduct normal international trade), we should be able to start shrinking our gov't down to the point of after 7 cycles of 7 years coupled with our moral & technological advancements (development) that we will only require about 144,000 gov't positions to be filled & the rest of our citizens will be able to chose to either sit back, relax, chill, enjoy life giving glory to the Father thru the pursuit of enlightenment to further beautify our nations & planet(s) or the adventurous ones (risk takers) amongst us, continue to participate in the int'l world of entrepreneurship & business. No other 'work' will be required of our citizens at this point besides the fact that at least 70% of our citizens need to be able to fill at least 7 different gov't positions in need be. The citizenry will alternate filling the 144,000 positions in a mathematically proportionate way. Other than that there will be no 'work' requirement only worship & glorification of the Father & His Creation thru agreeableness, fun & relaxation (enjoyment & beautification of what the Father has provided for us)! (This is our new form of 'money' at this point!)
